Superintendent's Message.....

Dear Colleague:

"A PROMISE TO KEEP:
A STRESS-FREE HOLIDAY SEASON"

"Never worry about the size of your Christmas tree.
In the eyes of children, they are all 30 feet tall."
~ Larry Wilde

As we head full speed into the holiday season, it is easy to become overwhelmed by the many demands placed upon our time. The joy of the season can quickly become lost amid stress and exhaustion as we try to create the "perfect" holiday.

If you typically find the holidays to be an emotionally or physically draining time for you, make a commitment to yourself this year to take a step back and simplify your approach to the season. Set realistic expectations for yourself and for others. Be selective about the social invitations you accept. Participate in those activities you really enjoy and make them meaningful. Above all, take time out to relax and enjoy the spirit and true meaning of this special time of year.

Realizing that our celebrations do not need to mimic a Norman Rockwell painting is the first step toward a stress-free holiday. The holidays are not about giving, receiving or doing the "most" or the "best", they are about taking time out of our hectic lives to enjoy and celebrate those things which are most important to us. Quality time spent with family and friends is of far greater importance than what you serve for dinner, the size of your Christmas tree, or the number of gifts beneath it.

As we head into the holidays, remember our motto for this school year, "**A New Day … A New Way in Waukegan Public Schools … *students first!"***

Sincerely,

Donaldo R. Batiste, Ph.D.

WISH CAMPAIGN 2011

→Submitted by Jason Feldman, Executive Director for Human Resources

With the holiday season approaching, District #60 is once again encouraging all employees to contribute to this year's WISH (**W**aukegan **I**nspires **S**haring and **H**elping) Campaign. The campaign began November 14, 2011 and runs through December 16, 2011. In years past we have partnered exclusively with the United Way of Lake County for our annual giving campaign. In fact, they have been the sole beneficiary for over 20 years. This year we are pleased to announce that we are expanding our giving drive to include Community Health Charities of Illinois.

Community Health Charities of Illinois supports numerous organizations that focus on improving the lives of people with life threatening illnesses and chronic conditions. They support over forty recognized health charities from which the employee can choose to direct their charitable dollars. These charities also offer volunteer opportunities for the District employees as well as health resources in the Waukegan community.

Like our District, United Way of Lake County supports many outstanding programs that benefit youth and families in Waukegan and throughout Lake County. Without health and human services that provide food assistance, shelter and medical care, many of our children would find it more difficult to learn. United Way of Lake County works in two ways: Ensuring programs and services are available throughout Lake County for our neighbors who need them; and breaking the cycle of poverty through education with an initiative directly benefiting Waukegan District #60 students.

The administration has made it easier for all employees to contribute, using a secure electronic pledging site. Paper pledges will also be available. Pledge payment options

include payroll deduction and credit card as well as one time checks and cash. Electronic payroll deductions will begin January 13, 2012, and run through May 31, 2012 (first 10 pays). Any amount you are able to pledge would be significant as we strive to meet each building's participation goal of 100 percent.

Staff members will receive a username and password from both United Way of Lake County in an e-mail the week of November 14, 2011. You should have already received it. If not, please contact your building champion. Embedded in the e-mail will be a secure link that will take you directly to the organizations pledging website. To donate to Community Heath Charities of Illinois, please click the link below, which will take you to their secure pledging website. www.gift4charity.org/_waukeganpublicschools

Traditional pledge forms are also available upon request. Please see your building champion.

During this difficult time in our economy, we often reflect on the many ways the recession is impacting our neighbors in the community as well as the families of our own students. Thank you for joining us in this important campaign to improve lives in Lake County.

Child Care Available for Employees at Pickus

→Submitted by Pam Hoover, One Hope United

The Pickus Infant/Toddler Center at AOEC has openings for children of Waukegan Public School employees at its day care. The One Hope United day care, which operates out of the AOEC, 1020 Glen Rock Avenue, is open to District employees, as well as teen mothers. SPOTLIGHT

THIS WEEK WE FEATURE: MS. DOLORES SANTANA, STUDENT SUPPORT SPECIALIST AT THE WELCOME CENTER

→***Nominated by Ms. Nikki Leach, Training Support Specialist***

Ms. Dolores Santana has worked in District 60 since 2001, when she was hired as the attendance secretary at what was then the Ninth Grade Center. A year later she transferred to the Upper Grade Center as the guidance secretary. The following year she was promoted to a Registrar for the Upper Grade Center. In 2009 Ms. Santana was transferred to the Welcome Center where she was promoted to a Student Support Specialist. Prior to joining the District she worked in customer service for Abbott Laboratories and All State Insurance Company. Ms. Santana is a Waukegan High School graduate and is currently working on obtaining her bachelor's degree from Eastern Illinois University.

Ms. Santana was nominated for this week's Spotlight in recognition of her outstanding work in the registrar's office. Her expertise helps the often hectic and chaotic office function smoothly, as they resister students year around, while also fulfilling transcripts requests from alumni. She is known in the office for being very knowledgeable. Her understanding of student privacy and Family Educational Rights and Privacy Act (FERPA) laws are a big help in the office. She's also become proficient at reading and understanding international transcripts from students who immigrate to Waukegan from other countries. Recently, Waukegan hosted the 2011 Northern Illinois Registrar Association conference, and Ms. Santana was an important part of the planning and execution of the event.

"Dolores is very friendly, caring and passionate about what she does. She is one of the nicest people you will ever meet, and she has a very great rapport with so many of our parents that they know they can go to Ms Santana with whatever they need." ~ Ms. Leach

Do you know someone who is deserving of being featured in the Superintendent's Bulletin's "…whatever it takes" spotlight? Send a nomination explaining why he or she should be honored to suptbulletin@wps60.org. Honorees will be selected on Wednesday, to be featured in the following week's bulletin. All nominators should include their name, title and phone number, as well as the nominees name, title and phone number.

THANKSGIVING BASKETS AT GLENWOOD

→***Submitted by Lee Gaiser, Glenwood Principal***

On November 20, 100 Glenwood families received baskets full of Thanksgiving food and a gift card to Jewel. For the 10th year, North Suburban Synagogue Beth El of Highland Park adopted Glenwood to help the families have a nice Thanksgiving. Each year, the families of Beth El gather at the temple the Sunday before Thanksgiving to create the baskets. Each Beth El family purchases food for a Glenwood family. Most of the Beth El families go shopping with their children to select the food. Teachers and staff from Glenwood came to the temple and helped the Beth El community create the baskets. Then Beth El families delivered the baskets to Glenwood for pick-up. It was a wonderful day filled with families helping other families.

SEND A HOLIDAY CARD TO OUR ILLINOIS HEROES OVERSEAS

About 80 miles southwest of Frankfurt Germany – and a five-hour medevac flight from Iraq – there is a bustling military hospital where skilled medical personnel are treating American soldiers who were wounded in Iraq or Afghanistan.

Landstuhl Regional Medical Center is the largest American military hospital outside of the continental United States, with about 110 physicians, 250 nurses, 40 Medical Service Corps

officers, 900 enlisted personnel, and 550 civilian employees who work together to treat the most seriously wounded. They have been called our soldiers' angels.

I have had lunch with men and women from across Illinois who are serving as doctors and nurses at Landstuhl. Some grew up in small towns in Illinois, others grew up in Chicago. Some are Cubs fans, others root for the Sox. But they all agree on one thing: It means a lot when folks from home send their love.

I have had the opportunity to visit the Landstuhl Regional Medical Center six times, and I need your help to remind the service members working or recovering at LRMC that they are in our hearts this holiday season. I am asking all Illinois schoolchildren to take part in a massive mission to make holiday cards for our troops.

I will return to Landstuhl the week before Christmas to personally deliver the handmade cards. I look forward to sending messages of love and support from Illinois to our troops overseas.

Please package all of the cards and letters into one bundle using ribbon or a box to keep them together. Please direct any questions to Amy Amizich (312) 814-1083 or email her at Amy.Amizich@Illinois.gov

ANNUAL INDUCTION AND MENTORING CONFERENCE SCHEDULED FOR FEB. 22-23

→***Submitted by Dr. Christopher Koch, State Superintendent***

The Illinois New Teacher Collaborative (INTC) will hold its seventh annual Induction and Mentoring Conference on Feb. 22-23, 2012, in Springfield.

The conference, which is titled "Staying Committed to New Teacher Induction," will examine how district and school personnel can make a difference in a new teacher's career, even in tough times. Quality induction programs accelerate new teacher development and assist new teachers in their knowledge, skill, effectiveness and professional development, which, in turn, impact student achievement and success. This conference will provide practical and standards-based ideas about induction resources, evaluation, program goals and design. Conference sessions will help both established and new induction and mentoring programs improve, learn from other programs and develop a network of contacts to pave the way for new teachers' success.
